SCHOOL/COMMUNITY PROGRAMS

COMMUNITY CAMPING TREK

OVERVIEW

The science behind the benefits of spending time in nature is vast. After spending days inside moving between classroom and home, what students really need is some deep breaths in the fresh air. Bring your classroom on an adventure where students will be introduced to basic outdoor skills such as camping in an open-air cabin or tent, practicing outdoor living practices learning to Leave No Trace, and spend time in nature bonding as a class as they experience a new level of independence and personal growth.

OUTCOMES

- Building skills in outdoor living
- Integrating classroom learning objectives into outdoor adventure spaces
- Reflecting on personal and group growth
- Interacting with new places, people, and projects

TOTAL COST:

For up to 25 students per field session: \$9,995

For up to 35 students per field session: \$11,495

*Contact us for alternative payment options if you are a Title I school or a nonprofit organization
